STATEMENT UNDER SECTION 393 OF THE COMPANIES ACT, 1956

1. The accompanying notice has been sent pursuant to an order dated 10th April, 2014 for convening meeting of the Equity Shareholders of Tata Global Beverages Limited, being the Applicant Company above named (hereinafter referred to as "the Transferee Company") for the purpose of considering and if thought fit, approving, with or without modification, the proposed Scheme of Amalgamation ("the Scheme") of Mount Everest Mineral Water Limited (hereinafter referred to as "the Transferor Company") with the Transferee Company. The salient features of the Scheme of Amalgamation are given in paragraph 4 of this Statement. The detailed terms of the amalgamation will appear from the enclosed proposed Scheme. This statement under Section 393 of the Companies Act, 1956 in relation to the said meeting of Equity Shareholders of the Transferee Company convened by the said order of the Hon'ble High Court at Calcutta is also to be treated as the explanatory statement to the attached notice for consideration of the Scheme by postal ballot/ e-voting.
2. The circumstances and/or reasons and/or grounds that have necessitated and/or justify the said Scheme of Amalgamation are, inter alia, as follows :-
 - (a) The Transferee Company is a well established company engaged in the business of manufacture and marketing of various types of tea in the branded form. The Transferee Company also has interests in various other segments of the branded beverages business through its subsidiaries and associates which are manufacturing and marketing the same, including coffee. The Transferee Company was originally engaged in tea plantation business i.e. production of tea in bulk form. Over the years the Transferee Company has transformed itself from being primarily a domestic tea plantation company to a branded beverages marketing company in the global arena having a robust and extensive marketing and distribution network and portfolio of well established and popular local and international brands. Approximately 85% of the total consolidated turnover of the Transferee Company, including all its subsidiaries during the period of 12 months ended on 31st March, 2013 was contributed by its worldwide branded beverages business.
 - (b) The Transferee Company also acquired an interest in the ready to drink liquid beverages segment by taking substantial shareholding and management control in 2007 of the Transferor Company which harvests natural mineral water sourced from Dhaula Kuan in the foothills of the Shivalik range of Himalayas and markets the same under the well known premium brand 'Himalayan'. The Transferor Company is presently a subsidiary of the Transferee Company. The Transferee Company presently holds 17,021,092 Equity Shares constituting 50.07% of the total Issued, Subscribed and Paid up Share Capital of the Transferor Company. The said acquisition fits into the brand portfolio and growth and business strategies of the Transferee Company. As such there are various synergies between the businesses and operations of the Transferor Company and the Transferee Company.
 - (c) The 'Himalayan' brand name used by the Transferor Company conjures up a pristine and unique imagery which has an immediate resonance and recognition across the world. The 'Himalayan' brand of mineral water is well established in the domestic market. The said product has tremendous potential for extending its reach in both the domestic and global markets and scaling up of operations. The Transferee Company with its vast marketing and distribution network across the globe and larger funding capacity is in a better position to harness this potential. In order to unveil 'Himalayan' with its myriad prospects into the domestic as well as global arena more effectively, direct participation and support of the Transferee Company is necessary.

- (d) In view, inter alia, of the aforesaid, including commonality of business interests, portfolio fit and objectives of the Transferor Company and the Transferee Company and synergies between them, it is considered desirable and expedient to amalgamate the Transferor Company with the Transferee Company in the manner and on the terms and conditions stated in the said Scheme of Amalgamation.
- (e) The amalgamation will enable the amalgamated entity to grow the 'Himalayan' brand of natural mineral water and pursue such business and other opportunities in the 'Good for you ready to drink natural beverages' segment more effectively worldwide.
- (f) The consolidation of operations of the Transferor Company and the Transferee Company by way of amalgamation will lead to a more efficient utilization of capital, superior deployment of brand promotion, sales and distribution strategies and create a consolidated and diversified base for future growth of the amalgamated entity with a wider presence in the premium water/beverages segment. The amalgamation, would facilitate greater cohesiveness to gain market share through core market competencies which are hallmarks of the Transferee Company with increased brand and customer recognition. The amalgamation will result in administrative and operational rationalization and promote organizational efficiencies. It will prevent cost duplication that can erode financial efficiencies of the holding structure and the resultant operations will be more cost-efficient with the achievement of greater economies of scale, reduction in overheads and improvement in various other operating parameters.
- (g) The amalgamation will result in the formation of a stronger company with a larger capital and asset base and enable the combined business to be pursued more conveniently and advantageously. The amalgamation will have beneficial results for the amalgamating companies, their stakeholders and all concerned.

3. BACKGROUND AND RATIONALE

3.1 Background

- a. The Transferee Company is a well established company engaged in the business of manufacture and marketing of various types of tea in the branded form. The Transferee Company also has interests in various other segments of the branded beverages business through its subsidiaries and associates which are manufacturing and marketing the same, including coffee. The Transferee Company was originally engaged in tea plantation business i.e. production of tea in bulk form. Over the years the Transferee Company has transformed itself from being primarily a domestic tea plantation company to a branded beverages marketing company in the global arena having a robust and extensive marketing and distribution network and portfolio of well established and popular local and international brands. Approximately 85% of the total consolidated turnover of the Transferee Company, including all its subsidiaries during the period of 12 months ended on 31st March, 2013 was contributed by its worldwide branded beverages business.
- b. The Transferee Company also acquired an interest in the ready to drink liquid beverages segment by taking substantial shareholding and management control in 2007 of the Transferor Company which harvests natural mineral water sourced from Dhaula Kuan in the foothills of the Shivalik range of Himalayas and markets the same under the well known premium brand ‘Himalayan’. The Transferor Company is presently a subsidiary of the Transferee Company. The Transferee Company presently holds 17,021,092 Equity Shares constituting 50.07% of the total Issued, Subscribed and Paid up Share Capital of the Transferor Company. The said acquisition fits into the brand portfolio and growth and business strategies of the Transferee Company. As such there are various synergies between the businesses and operations of the Transferor Company and the Transferee Company .

- c. The 'Himalayan' brand name used by the the Transferor Company conjures up a pristine and unique imagery which has an immediate resonance and recognition across the world. The `Himalayan' brand of mineral water is well established in the domestic market. The said product has tremendous potential for extending its reach in both the domestic and global markets and scaling up of operations. The Transferee Company with its vast marketing and distribution network across the globe and larger funding capacity is in a better position to harness this potential. In order to to unveil 'Himalayan' with its myriad prospects into the domestic as well as global arena more effectively, direct participation and support of the Transferee Company is necessary.

3.2 Rationale

- a. In view, *inter alia*, of the aforesaid, including commonality of business interests, portfolio fit and objectives of the Transferor Company and the Transferee Company and synergies between them, it is considered desirable and expedient to amalgamate the Transferor Company with the Transferee Company in the manner and on the terms and conditions stated in this Scheme.
- b. The amalgamation will enable the amalgamated entity to grow the 'Himalayan' brand of natural mineral water and pursue such business and other opportunities in the `Good for you ready to drink natural beverages' segment more effectively worldwide.
- c. The consolidation of operations of the Transferor Company and the Transferee Company by way of amalgamation will lead to a more efficient utilization of capital, superior deployment of brand promotion, sales and distribution strategies and create a consolidated and diversified base for future growth of the amalgamated entity with a wider presence in the premium water/beverages segment. The amalgamation, would facilitate greater cohesiveness to gain market share through core market competencies which are hallmarks of the Transferee Company with increased brand and customer recognition. The amalgamation will result in administrative and operational rationalization and promote organizational efficiencies. It will prevent cost duplication that can erode financial efficiencies of the holding structure and the resultant operations will be more cost-efficient with the achievement of greater economies of scale, reduction in overheads and improvement in various other operating parameters.
- d. The amalgamation will result in the formation of a stronger company with a larger capital and asset base and enable the combined business to be pursued more conveniently and advantageously. The amalgamation will have beneficial results for the amalgamating companies, their stakeholders and all concerned.

NOTICE OF POSTAL BALLOT / E-VOTING

Dear Shareholder(s)

Notice is hereby given to you to consider, and, if thought fit, approve the proposed Scheme of Amalgamation of Mount Everest Mineral Water Limited with Tata Global Beverages Limited. Clause 5.16 of Securities and Exchange Board of India (SEBI) Circular No. CIT/CFD/DIL/5/2013 dated 4th February, 2013 as replaced by SEBI Circular No. CIR/CFD/DIL/8/2013 dated 21st May, 2013 ("SEBI Circular") requires the Scheme to be put for voting by public shareholders through postal ballot / e-voting and provides that "the Scheme shall be acted upon only if the votes cast by the public shareholders in favour of the proposal are more than the number of votes cast by the public shareholders against it." This notice is given accordingly in terms of such SEBI Circular for consideration of the following resolution by postal ballot / e-voting pursuant to Section 110 of the Companies Act, 2013:-

To consider, and, if thought fit, to pass, with or without modification(s) the following resolution in terms of Clause 5.16 of the SEBI Circular:

"Resolved that the Scheme of Amalgamation of Mount Everest Mineral Water Limited with Tata Global Beverages Limited presented in Company Application No. 233 of 2014 filed by Tata Global Beverages Limited before the Hon'ble High Court at Calcutta be and is hereby approved."

Approval to the said Scheme is sought by this notice of postal ballot/ e-voting in addition to approval to the said Scheme by shareholders of Tata Global Beverages Limited at their physical meeting to be held on 4th June 2014 in terms of an order dated 10th April, 2014 of the Hon'ble High Court at Calcutta in Company Application No. 233 of 2014 ("Court Convened Meeting"). The notice of the Court Convened Meeting with the documents accompanying the same, being copy of the said Scheme; statement under Section 393 of the Companies Act, 1956; observation letters of stock exchanges; complaints' report; and proxy form are attached herewith. **The said statement under Section 393 of the Companies Act, 1956 sets out all material facts relating to the proposal for approval of the said Scheme. The same is annexed hereto as aforesaid and may also be treated as the explanatory statement to this notice of postal ballot / e-voting under Section 102 of the Companies Act, 2013.** Sections 391 to 394A of the Companies Act, 1956 continue to be in force with certain other provisions of the said Act having been re-enacted by enforcement of various Sections of the Companies Act, 2013 as mentioned in the Table attached to General Circular No.07/2014 issued by the Ministry of Corporate Affairs on 1st April, 2014. For the said provisions and new Sections, reference may be made to the said Table accordingly.

It is clarified that votes may be cast by shareholders by postal ballot/e-voting and also at the Court Convened Meeting and casting of votes by postal ballot/e-voting does not disentitle them from casting their votes at the Court Convened Meeting and vice-versa. It is further clarified that while votes may be cast personally or by proxy at the Court Convened Meeting as provided in the notice of Court Convened Meeting, exercise of votes through postal ballot is not permitted through a proxy.

The Postal Ballot Form along with instructions for voting are also enclosed herewith ("**Postal Ballot Form**"). **The instructions for e-voting are also included therein.** Tata Global Beverages Limited has appointed Mr. P. N. Parikh, a Practicing Company Secretary as Scrutinizer for conducting the Postal Ballot / e-voting process in a fair and transparent manner.
