Annexure B: The details of amount spent during the financial year 2023-2024

Corporate Social Responsibility Policy

1. Sustainability & Corporate Social Responsibility Policy:

Natural Food and Beverages Policy:

Tata Consumer Products (TCP) is committed to be the most admired natural food and beverages company in the world by making a big and lasting difference through Sustainability and Corporate Social Responsibility. We shall achieve this by being the consumer's first choice in sustainable beverage production and consumption.

We shall focus on Climate Change, Water Management, Sustainable Sourcing, Waste Management and Community Development.

Towards community development, we shall undertake programs focused on education and skills, healthcare and women empowerment. We shall actively participate in TATA Group activities and programs for volunteering and affirmative action.

2. Purpose :

The Natural Food and Beverages Policy of the Company is the apex policy that incorporates all relevant elements of Sustainability, Corporate Social Responsibility, Affirmative Action, Community Initiatives and volunteering. This document sets out the Company's commitment & approach towards Corporate Social Responsibility CSR u/s 135 of Companies Act based on our legacy of 'Giving Back to Society'. The Company is committed to the Tata Group Purpose of improving the quality of life of the communities we serve through the CSR theme of 'Building Sustainable Livelihoods'. The Company endeavors to facilitate livelihood opportunities & socio-cultural development in areas of its operations.

The Company intends to be a significant contributor to CSR initiatives in India by devising and implementing social improvement projects for the benefit of underprivileged communities, towns and villages.

3. Governance :

TCP's Sustainability and CSR governance is under the purview of the CSR & Sustainability Committee appointed by the Board. The CSR & Sustainability Committee oversees the development and implementation of a company-wide CSR programs. It formulates and recommends the CSR policy, CSR activities and expenditure, and monitors the CSR activities. TCP has constituted a robust governance structure to oversee the implementation of the CSR projects, in compliance with the requirements of Section 135 of the Companies Act, 2013. The CSR governance structure of TCP is headed by CSR & Sustainability Committee of the

Board. The CSR & Sustainability Committee grants auxiliary power to the Working Committee of the Company to act on their behalf. The projects or programs or activities undertaken under the CSR initiatives of the Company are in adherence with the provisions of Section 135 of the Companies Act, 2013 read with Companies (Corporate Social Responsibility Policy) Rules, 2014 and Schedule VII to the Companies Act, 2013, as amended from time to time.

Detail of BR Head/ Global Sustainability Manager – Mr. Vishwa Bandhu Bhattacharya, Director – Sustainability

TCP collaborates with a range of organizations, including NGOs and industry bodies towards fulfillment of its CSR goals. **The details are provided in Annexure-A.**

There are coordinators or Single Point of Contact (SPOCs) in every reporting unit, who are responsible for collating and collecting the project data, planning, and implementing the CSR programmes, and measuring/ monitoring the progress. Specific programs & projects have Project Leaders or chief sponsors who are responsible for the performance of those projects & programs. Global Sustainability Manager reports to the Executive Office of TCP, and is responsible for the implementation of the CSR/ Sustainability policy & strategy approved by the CSR & Sustainability Committee and the Board.

4. CSR & Sustainability Committee Responsibility Statement

Through this report, TCP seeks to communicate its commitment towards CSR. The implementation and monitoring of our CSR Policy is in compliance with the CSR objectives and policies as laid down in this report.

5. Monitoring, Review and Evaluation :

TCP shall adopt a monitoring mechanism that can primarily strengthen the effective implementation of the established initiatives and also redesign implementation strategies, if required, to best achieve our targeted goal. The Project/ program Manager is responsible for implementation and reporting of the approved projects through established mechanisms. The key elements of this mechanism include:

- Allocate responsibility
- Establish KPIs/ indicators
- Track progress and impacts
- Provide reasons for deviations.
- Budgetary support
- Site visits to understand on ground achievements.
- Communicating progress internally and externally.
- Reporting to CSR & Sustainability Committee of the Board.

There are 3 levels of Monitoring and Review undertaken for CSR Initiatives:

Level 1: Local reviews; Steering committee meetings, review by Sustainability team.

Level 2: Executive office review on the progress, effectiveness; action plans and resources required.

Level 3: CSR & Sustainability Committee reviews the CSR projects and progress half yearly basis.

There are two kinds of evaluation undertaken: internally by Sustainability teams and externally by competent agencies on a need basis. The basis for engaging with the tea community and prioritizing action plan is undertaking thorough independent studies/recommendations by NGOs, ETP etc.

6. Strategy for CSR/Sustainability

The strategy for CSR/Sustainability can be accessed at <https://www.tataconsumer.com/Sustainability>

7. CSR Funds :

The corpus for the purpose of carrying on the aforesaid activities would include the followings:

- 2% of the average Net Profit made by the Company during immediately preceding three Financial Years.
- any income arising there from.
- surplus arising out of CSR activities carried out by the company and such surplus will not be part of business profit of the company.

8. Reporting:

An Annual CSR Report and plan will be included in the Directors Report within the Annual Financial Statement of the Company and will be placed before the CSR & Sustainability Committee and the Board for approval at the end of every financial year. The report will adhere to the requirements of Section 135 of the Companies Act, 2013 and the rules thereunder.

In respect of international locations, the respective subsidiary/associate companies would comply with the local CSR reporting requirements, if any.

9. Details in which the amount spent in the last financial year:

The details of amount spent during the financial year 2023-24 given in **Annexure B**

Annexure A

Overview of CSR projects approved by the Board and implemented by the company during FY 2023-24 are as under:

Affordable Health care

RHRC (Referral Hospital & Research Centre), Chubwa: RHRC Chubwa provides affordable medical facilities to the general population and the tea communities. The eHub, located at RHRC for the e-Healthcare Project provides video consultation to estate hospitals. The hospital has 155 medical staff and 80 beds including 6 ICU beds. It is the only medical facility in the area to be awarded the SA8000 accreditation.

St. Judes India Childcare Centre: Many cancer patients in India live far from the treatment centers where they receive care, making it difficult for them to stay close to their care providers during treatment. It can result in denial of access to treatment and irregularity in continuing it according to a specified regime. St. Judes India Childcare Centre created “Premashraya”, a residential facility for destitute cancer patients and their families, as a “home away from home” while receiving treatment at the Tata Medical Center in Kolkata & Mumbai.

Empowerment of differently-abled

Srishti Charitable Trust, Munnar: Srishti has been established with the purpose of rehabilitation and the generation of sustainable livelihoods for the differently-abled children and young adults of the rural plantation community of Munnar, Kerala. Srishti’s DARE school provides holistic education to children with disabilities. Once the children attain the age of eighteen, some of them get absorbed into the mainstream while most of them, based on their interest and aptitude, get rehabilitated into one of the six vocational units in Srishti, - Nisarga, The Deli, Aranya Natural, Athulya, Disha and Vatika.

Swastha Center for Special Education & Rehabilitation: The Swastha Centre for Special Education & Rehabilitation, a unit of Coorg Foundation, is working in the field of special education for the differently-abled, vocational rehabilitation & placement and Community- Based Rehabilitation (CBR) Programs in Kodagu, Karnataka. The mission of Swastha is to educate, train and rehabilitate children with mental and physical disabilities.

WAsH (water, sanitation and Hygiene)

Project Jalodari, Assam : Project Jalodari is the flagship water management program of the Company. The key objectives of the project are to create sustainable water sources, raise awareness, and build capacities around water and sanitation issues in the community. The project also promotes health for women and adolescent girls through safe and effective Menstrual Hygiene Management (MHM) focusing on awareness, access, usage, and disposal.

Project Jalodari, Himachal Pradesh: The project aims at improving water sustainability and sanitation in 30 villages of Paonta Sahib and Nahan blocks of Sirmaor blocks. The Company undertook several

initiatives, including vegetative and engineering measures, community mobilization, training, and circular sanitation, to achieve its goals.

Rural development

TCSR, Mithapur - This is an integrated development program that focusses on creating sustainable livelihoods through better agricultural outcomes, health and nutrition, water management and biodiversity conservation. It includes initiatives such as improving livestock management, providing high-quality plant saplings to farmers, training farmers on crop management, constructing farm ponds for water conservation, and awareness of biodiversity. The program also covers community health, education, and skill development for youth. The program seeks to work through community involvement by forming self-help groups, user groups, farmer groups, youth clubs etc.

Supporting millet farmers by SVYM – TCPL has partnered with Swami Vivekananda Youth Movement (SVYM) to promote sustainable agricultural practices among tribal communities in HD Kote & Saragur Taluk in Mysore, Karnataka, through various initiatives, including organic millet farming, skill development programs, and setting up a millet-based processing unit. These are expected to significantly improve access to better nutrition and health and enhance the quality of lives of about 400+ farmers, 1000+ tribal community members, and about 2.5 lakh dependent individuals over the next two years.

Education & Skilling

Skilling of underprivileged youth by Tata Strive (Tata Community Initiatives Trust) : The objective of the project is to equip underprivileged youth with relevant skills to create opportunities for jobs or self-employment. The project was implemented in Assam, Mumbai, and Hyderabad, covering 130 youth with skill-based training in hospitality and Quick Service Restaurant.

Scholarships to underprivileged youth (FAEA) : Foundation for Academic Excellence and Access (FAEA) was established in 2002 to answer the challenge of empowering the socially and economically disadvantaged through access to higher education. FAEA programs are primarily focused on SC/ST and BPL category students.

Nutrition

Maa ki Roti – The program aims to address malnutrition as well as support livelihood for women in marginalized community. ‘Maa Ki Roti’ is a mother’s canteen in a cluster of villages across states, operated and managed by a women’s group. They prepare meals and give them to needy within the community at a subsidized rate of Rs.10/15. The project also aims to train mothers in skills like tailoring, embroidery work and paper bag making.

Suposhit Tirupathi – The program aims at addressing poor nutritional status amongst women and children that limit their cognitive development and future earning potential in Tirupathi. The program will reduce undernutrition by 10% amongst vulnerable women and children targeted through system-strengthening interventions and community education. Further, demonstrating replicable and scalable approaches to improve nutritional standards for women and children.

Annual Report on CSR Activities for the Financial Year 2023-24

1. Brief outline of the corporate social responsibility (CSR) policy of the company:

The Company strongly believes in the Tata Group's philosophy of giving back to the community and recognizes the role played by communities in the growth of its business. The Company stands for "For Better Living," which includes actions towards For Better Communities, For Better Nutrition, For Better Sourcing and For Better Planet.

The CSR Policy set outs the Company's commitment and approach towards CSR under Section 135 of the Companies Act, 2013 ("the Act") based on its legacy of 'Giving Back to Society'. The Company endeavours to facilitate livelihood opportunities and socio-cultural development in areas of its operations.

The Natural Food and Beverages Policy of the Company is the apex policy that incorporates all relevant elements of Sustainability, Corporate Social Responsibility ("CSR"), Affirmative Action, Community Initiatives and Volunteering.

The Company is committed to being the most admired natural food & beverage company in the world by making a lasting difference through Sustainability and Corporate Social Responsibility. The Company shall achieve this by being knowledgeable, responsive, and trustworthy, and by adopting environmentally and socially friendly technologies, business practices, and innovation while pursuing long-term growth aspirations and the enhancement of stakeholder value. The Company focuses on Climate Change, Water Management, Sustainable Sourcing, Waste Management and Community Development.

Towards community development, the Company undertakes programs focused on healthcare WaSH, education and skills, and rural development. The Company also actively participates in Tata Group activities and programs for volunteering and affirmative action. The Company's CSR activities, projects, and programs comply with Section 135 of the Act and the rules made thereunder, excluding activities undertaken in pursuance of its normal course of business.

During the year under review, the Company's CSR initiatives focused on affordable healthcare, empowerment of differently abled, WaSH (Water, Sanitation, and Hygiene), rural development, and education and skilling. These CSR projects undertaken by the Company contribute to the Sustainable Development Goals (SDGs).

4. Executive summary along with weblink of impact assessment of CSR projects carried out in pursuance of sub-rule (3) of rule 8 of the companies (corporate social responsibility policy) rules, 2014.

During the year under review, the Company carried out an impact assessment of 7 CSR projects for FY 2022-23:

The CSR projects of the Company in FY 2022-23 were focused on the Tea Communities of Assam and Munnar (Kerala), Local communities in 30 villages of sirmaur district of Nahan block, Himachal Pradesh, Coffee Communities of Kodagu (Karnataka), local communities in Mithapur (Gujarat), cancer-affected children in and around West Bengal and Mumbai. The CSR activities undertaken are directly linked to the 17 Sustainability Development Goals (SDGs). The 4 thematic areas are - Affordable health care, Empowerment of differently abled, Water, Sanitation and Hygiene and Rural Development.

The assessment was carried out by an independent agency, Soulace Consulting Private Limited. 910 beneficiaries were interviewed as part of the assessment. A total of 1,46,387 beneficiaries were impacted by these projects in FY 2022-23. Summary the assessment report is as under:

Affordable health care RHRC, Chubwa:

Key Insights: **Enhanced inclusivity** - beneficiaries are from the nearby community/tea estates i.e. healthcare not restricted to APPL/Tata Tea employees. **Serves Economically disadvantaged** - beneficiaries < 10000 per month. **High quality Medical care** - beneficiaries chose RHRC due to high-quality medical care available there. **Cleanliness and Hygiene** - beneficiaries claim premises are clean with good hygiene standards.

Impact: Hospital extended its services to 75683 patients in FY 2022-23 (Including e-healthcare services). Over 43% of patients were earning less than ₹ 10000 a month and 75% of the beneficiaries belonged to the larger community outside the tea estates. 100% of the beneficiaries considered RHRC to be the most affordable hospital in the region.

Affordable health care, St. Jude's Childcare:

Key Insights: **Accommodation & ration support** – all children received free stay and meal. **Academic & recreational support** – Parents confirmed that their children received regular academic support and attended various recreational activities. **Hygiene & diet management** – All children received hand holding support on hygiene, diet management, vital checking and record keeping of their health status.

Impact: St. Jude's Childcare provided affordable healthcare services to 140 children undergoing cancer treatment. The accommodation service provided was considered excellent by 100% of the parents interviewed. More than 84% respondents experienced swift enrolment process within a week. 95% respondents shared that their children received regular academic support.

Empowerment of differently abled, Srishti:

Key Insights: **Pre-enrollment counselling** parents of children with special abilities appreciated receiving pre-enrolment counselling. **Training** - parents reported receiving regular training on how to handle their children. **Interpersonal skills** - parents reported their child is better at making friends and interact with others due to the accommodating environment. **Skills** - Special associates at Srishti reported that their job skills improved from working in the vocational units.

Impact: Parents reported that there was greater acceptability of children with disabilities in the community due to Srishti's social activities. 80% of

parents reported receiving pre-enrollment counselling from DARE. 82% of the parents reported enhancement in the speech and language of their children. Special-abled employees have been able to double their family's income due to the vocational training provided by Srishti.

Empowerment of differently abled, Swastha:

Key Insights: **Hostel facility** - parents of hostellers expressed satisfaction with the hostel facilities and received regular periodic health checkups. **Govt ID card for disabled** - parents stated they received Govt ID Card for disabled people through guidance of Swastha. **Speech & language** - parents expressed that there was improvement in their child's speech and language. **Disability pension** - Parents reported their children getting disability pension because of Swastha.

Impact: 100% of the parents shared they perceived a sense of safety, of their children's stay in the residential facility at Swastha. They also expressed that their children received regular, periodic medical check-ups at Swastha. 82.5% of the parents were highly satisfied about the periodic meetings conducted by Swastha special educators with them. The employed candidates expressed confidence in their ability to contribute to their family income and a sense of self-assurance in meeting their own economic needs.

WaSH (water, sanitation and Hygiene), Project Jalodari Himachal Pradesh

Key insights: 100% of beneficiaries shared that water supplied earlier had a high iron content, indicated by the discolouration of water prior to the installation of IRPs. Most of the beneficiaries received poor taste and odor in drinking water. Beneficiaries shared that they underwent issues like stained teeth, dry and itchy skin, and gastrointestinal issues because of the consumption of iron-rich water. Societal taboo around the subject of menstrual hygiene.

Impact - 98% of the beneficiaries expressed a sense of security about getting safe drinking water post-intervention. 90% of the beneficiaries experienced a decrease in healthcare expenses post-intervention. 45% of the beneficiaries were happy with the ease of access to IRPs at any time of the day, post-intervention.

WaSH (water, sanitation and Hygiene), Project Jalodari Assam

Key insights: Recharge ponds – quick & successful completion of recharge ponds under engineering measures. Run-off – Run-off water successfully stored by engineering measures. Plantation – Adoption and survival of horticulture plantation on large scale. WASH awareness – All the students were oriented on WASH at schools.

Impact: 95% beneficiaries reported 1 to 2 feet water level rise due to engineering measures that will help them increased water availability for irrigation. 96% families feel that there is an increase in greenery. The plantation helps in income, nutrition, soil and water conservation, improve environment, CO₂ reduction thus mitigate climate change.

Rural development, TCSR, Mithapur:

Key Insights: **Rainwater harvesting** - Farm ponds served as a dependable water supply source. **Micro irrigation systems (MIS)** - Uniform water distribution to all plants through use of MIS. **Livestock management** - Better cattle health due to deworming. **Household tap connection** – Reduction in 500 to 700m distance walked by women for clean water after tap connection. **Financial literacy** - SHG members were able to recall the loan register spontaneously.

Impact: Each programmatic intervention, spanning diverse areas such as agriculture, livestock management, women empowerment, drinking water, health, and nutrition, was strategically tailored to address identified needs and bridge existing gaps. Beneficiaries consistently expressed satisfaction with the programs, attesting to the tangible improvements in their quality of life. Consequently, TCSR's CSR interventions were relevant, precisely aligning with and fulfilling the genuine needs of the communities involved in the projects. 88% of beneficiaries noted a considerable increase in water retention in their wells. They also recalled farm ponds as a dependable water supply source. 82% beneficiaries perceived increase in crop productivity.

Note:

In accordance with the Scheme of arrangement (Scheme) between the Company, Tata Coffee Limited (TCL) and TCPL Beverages and Foods Limited (TBFL) as approved by Hon'ble National Company Law Tribunal, Kolkata Bench & Bangalore Bench, the Plantation business of TCL stands demerged and transferred to TBFL and the Remaining business of TCL stands amalgamated and transferred to the Company with effect from the Appointed and Effective date of January 01, 2024. Statutory CSR contribution for TCL for FY 23-24 was ₹ 1.23 Crores. Out of this, ₹ 1.20 Crores was spent by TCL till December 31, 2023 and the balance ₹ 0.03 Crores has been spent by the Company post amalgamation to fulfill this obligation within March 31, 2024.
