

TATA CONSUMER PRODUCTS

FOOD SAFETY AND QUALITY POLICY

As Tata Consumer Products, We Stand #ForBetter

For better products, for better nutrition, for better living. For a better community, and a better planet.

Food safety and quality are key contributors to TCPL vision by protecting and promoting consumer and customer trust and satisfaction in our products and brands. To support our vision, our Food Safety and Quality Strategy is focused on 4 pillars:

Quality & Food
Safety System

Supply-Chain
Excellence

Future Ready
Capability

Quality & Food
Safety Culture

POLICY STATEMENT

Empathy

We at Tata Consumer Products:

- Ensure effective internal and external communication with stakeholders.
- Commit to comply with all applicable statutory, regulatory and other compliance obligations through proactive engagement with stakeholders and authorities.
- Implement change management practices for effective harmonization during business integration and growth.
- Continuously focus on learning and development as an enabler in upholding our quality and compliance requirements.
- Are committed to delivering Safe, Legal, Authentic, and High-quality products that meet customer requirements by adhering to robust food safety, quality, and regulatory practices, while maintaining consumer trust.
- Adopt available tools and technologies to improve the efficiency and effectiveness of our quality assurance and regulatory processes and delivery.
- Are committed to drive continual improvement in our products, processes, and systems, building on our experience, incorporating best practices to exceed consumer expectations.
- Foster a culture of quality among our employees and enable them to take ownership of product quality and safety.
